

Seeker of Knowledge Tuition Classes Information Pack

Seeker of Knowledge
Tuition Classes

Overview

Seeker of Knowledge offers high-quality tuition classes for primary school students, focusing on both Maths and English. Our sessions are designed to support learning, improve exam performance, and build confidence in every child.

We provide a friendly and supportive environment where students can strengthen their skills, ask questions, and progress at their own pace. With personalised guidance and experienced, DBS-checked teachers, we help children build strong foundations while preparing effectively for SATs.

Whether your child needs extra support or wants to get ahead, our engaging lessons are tailored to help them succeed and enjoy learning.

Seeker of Knowledge Tuition Classes

Programme and Curriculum

Primary Tuition Programme (English & Maths – Years 1 to 6)

Day: Fridays - **Time:** 5:00pm – 7:00pm - **Group Size:** 6-8 students per teacher

Structure: Combination of 1:1 support and small group teaching

Curriculum: Aligned with the National Curriculum for England (supported by **CGP** resources)

Programme Overview

This programme supports students from Year 1 to Year 6 in developing strong foundations in English and Maths. Lessons are tailored to each year group and ability level, ensuring all students build confidence, improve core skills, and make consistent progress. For older students (Years 5–6), sessions also include preparation for SATs.

Session Breakdown (2 Hours)

5:00 – 5:10 | Welcome & Starter Activity

- Quick recap of previous learning
- Age-appropriate warm-up (phonics, spelling, or mental maths)

5:10 – 5:50 | Maths Focus (Group + 1:1 Support)

- Differentiated teaching by year group (Year 1–6)
- Key topics: number skills, arithmetic, reasoning, and problem-solving
- Use of CGP resources and structured practice
- Teacher-led input followed by independent work
- Targeted 1:1 support for each student

5:50 – 6:00 | Short Break

6:00 – 6:40 | English Focus (Group + 1:1 Support)

- Year 1–2: phonics, reading fluency, basic writing
- Year 3–4: comprehension, grammar, sentence structure

- Year 5–6: advanced comprehension, SPaG, and writing skills
- Vocabulary building and guided tasks
- Individual feedback and support

6:40 – 6:55 | Assessment / SATs Practice

- Year 1–4: short quizzes, reading checks, spelling tests
- Year 5–6: SATs-style questions and exam technique
- Focus on confidence, accuracy, and progress tracking

6:55 – 7:00 | Review & Homework Setting

- Recap of key learning
- Homework set using CGP books
- Brief student feedback

Teaching Approach

- Small group learning with personalised 1:1 support
- Differentiated tasks for mixed ages and abilities
- Emphasis on understanding and skill development
- Supportive, structured, and engaging learning environment

Progress & Outcomes

- Stronger foundations in English and Maths across all year groups
- Improved reading, writing, and numeracy skills
- Increased confidence and independent learning habits
- SATs readiness for Year 6 students

This programme ensures every child—from early learners in Year 1 to those preparing for SATs in Year 6—receives high-quality support tailored to their stage, helping them thrive academically.

Seeker of Knowledge Tuition Classes Teachers Introduction

Mr. Ababsa - Teacher Introduction

Hi, my name is Bilal Ababsa, I am very much looking forward to starting work with my students and helping them achieve their educational goals and objectives.

About me

I am First-Class Economics graduate with experience teaching and tutoring Business and Economics at KS3 and KS4 level. I currently work at one of the top schools in London and have also supported students through private tutoring. I help students build confidence, improve exam technique, and make strong progress in their studies.

Mr. Abdullah - Teacher Introduction

Hi, my name is Ridwan Abdullah, and I am very excited to welcome you to our tuition classes.

About me

I am a tutor currently working with primary-aged children, supporting their learning and building confidence across core subjects. I am set to complete my BSc in Economics next summer, which has strengthened my analytical thinking, communication skills, and ability to explain concepts clearly.

My approach focuses on helping each student reach their full potential by adapting to their individual needs and learning styles. I encourage students to engage with material in a meaningful way, promoting understanding over memorisation while fostering independence, resilience, and a positive attitude towards learning. I am also committed to maintaining inclusive and well-structured learning environments.

Miss Gacem - Teacher Introduction

Hello! My name is Rahil Gacem, and I'm pleased to welcome both you and your child to our tuition classes. I look forward to supporting your child's learning journey.

About me

I have completed my Higher Certificate in Chemistry and have a strong passion for teaching. I genuinely enjoy working with children and approach my work with dedication and professionalism. In addition, I bring five years of tutoring experience in Mathematics, English, and Science, helping students build confidence and achieve their academic goals.

Seeker of Knowledge Tuition Classes Friday Sessions Term and Holiday Dates

April 17th-July 17th 2026 5:00-7:00pm

First Term

Starts on Friday 17th **April** 2026

Ends on Friday 17th **July** 2026

Eid Al-Adha Break Friday 29th **May** 2026

Returning on Friday 05th **June** 2026

Summer Holiday

Normal Classes will resume on Friday, 11th **September** 2026

Seeker of Knowledge Tuition Terms and Conditions for Parents/Guardians 2025/2026

Guardians' Responsibilities

- Must drop off and collect their children if they are under **16 years old**.
- If a child (**11+yrs old**) is to depart independently, written permission from the guardian is required.
- Ensure their children complete homework before attending their tuition lesson.
- Regularly check their **child's student diary/notebooks**.
- Inform the management in advance of any absences or lateness.
- Notify the management about any **allergy, serious health conditions or special educational needs**.
- Children who are unwell should not attend class.
- Provide at least two weeks' notice for short or long holidays.

Class Rules

- Guardians are not permitted in classrooms without permission.
- Students must bring necessary materials (pencil, rubber, and notebook).
- Students should dress appropriately.
- Students must behave well and **follow classroom rules**.
- Students must adhere to our syllabus and must arrive for their lessons on time.
- Students must purchase the required textbooks.
- New students may be **expelled** within the first four weeks if their behaviour is unacceptable.
- The Institute is not responsible for lost items.
- The Institute is not liable for incidents outside tuition premises or hours.

Safeguarding and Communication

- All staff are trained to work with children and hold valid DBS checks.
- Parents must complete a registration form and provide emergency contact details before the child's first session.
- Important updates will be shared via our parent WhatsApp group or email.
- Parents are responsible for checking messages regularly.

Monthly Tuition Fees and Absence/Holiday Policy

- Parents/guardians must pay tuition fees in advance and on time (**first Friday of each month**).
- Fees are payable for every month, regardless of attendance.
- Full fees are payable even if a child is absent due to illness or any other reason.
- Full fees are also payable during holidays taken while the classes are **running and active**.
- Fees are non-refundable and non-negotiable.
- Late payment of fees may result in losing your child's place due to a waiting list of families willing to pay on time, ensuring our classes sustainability and ability to serve students.

- Our classes operate on a monthly fee structure from **September to July**. The monthly fee remains consistent, regardless of the number of Fridays (3, 4, or 5) in a month. **Notably**, months with 3 Fridays are rare, typically occurring when Eid happens to be on a Friday or in July before summer break. We do not charge extra for months with 5 Fridays, ensuring a balanced and fair fee structure for all parents.
- A **discount** is offered to families with two or more siblings.
- Seeker of Knowledge **does not charge** parents/guardians joining fees or any hidden fees.
- Classes during summer holidays, including August, run subject to demand.
- If Seeker of Knowledge cancels a class, a credit or make-up session will be offered.

Pay-As-You-Go Tuition Policy

- Parents may choose a pay-as-you-go option.
- Tuition is charged at an hourly rate of £15 per hour, per child.
- Payment is due in advance of each class.

No Contract or Joining Fee

- There is no contract required to enrol under this option, and no joining or registration fees apply.

Attendance & Cancellations

- Classes must be booked in advance to secure a place.
- If a student cannot attend a booked session, at least 24 hours' notice is required.
- Late cancellations or no-shows will be charged at the full hourly rate.

Availability

- Pay-as-you-go places are subject to availability and are not guaranteed each week.
- Priority will be given to students enrolled on a termly basis.

Pay-As-You-Go Tuition Notice Period

- A minimum of two weeks' written notice is required if you wish to discontinue classes.
- This allows us to manage staffing and student allocations.
- Notice should be given to management via email or in writing.

Monthly Tuition Withdrawal Policy

- Parents/Guardians must provide a minimum of one **month's written notice** prior to withdrawing their child from our tuition classes. The one month's notice period is payable, regardless of attendance. Fees for this period must be paid in full.
- The notice period starts from the date the notice is received.

Financial Difficulties Policy

- Parents/Guardians facing financial challenges in paying fees are encouraged to communicate with the management to explore possible arrangements, ensuring a mutually beneficial solution.
- In some cases supporting evidence may be required to consider fee assistance or adjustments.

Rationale for Tuition Fees

- The Tuition fees paid by guardians are essential for the smooth operation of our classes.
- **These fees enable us to:** -Cover essential expenses, including teachers salaries, cleaning services, premises rent, administrative expenses, and other operational costs.

Changes to Policy

- Seeker of Knowledge reserves the right to review and amend this policy.
- Parents will be notified of any changes at least 2 weeks in advance.

We appreciate your cooperation in ensuring a safe and productive learning environment.
